Search the Course Catalog and Schedule of Classes

Overview

This document shows how to use Roadmap Course Search to find courses in the Course Catalog and classes in the Schedule of Classes.

Steps

1. There are two ways to get to Course Search. You can either go through Browse Course Catalog or Class Search. We'll first see the two methods.
2. In SIS, navigate to *Browse Course Catalog* using the method you normally use.
3. Click the [Check this out](#) link.

Search the Course Catalog and Schedule of Classes

The screenshot shows the Grant Simpson Academic Roadmap search interface. At the top left is the IU logo and the text "Grant Simpson Bloomington • Graduate". Below this are three tabs: "Courses", "Search", and "Bookmarks". The "Search" tab is active. The search form includes three filter sections: "Campus" with a dropdown menu set to "IU Bloomington"; "Degree Level" with two checkboxes, "Undergraduate" (checked) and "Graduate/Professional" (unchecked); and "Offered" with a dropdown menu set to "Any term". Below these filters is a search input field containing the text "e.g. com, math-m 119, eng 1xx, netwoi" and a "Go" button. At the bottom center, the version number "Version: sissrarm-1.0.0+5.2.3" is displayed.

8. **Campus** will be preselected for students. To change the campus, select a different one.
9. **Degree Level** will be preselected for students. To change this, use the checkboxes to add or remove a degree level.
10. Select the term or terms in which to search using the **Offered** dropdown.

Academic Roadmap

Search the Course Catalog and Schedule of Classes

- **Any term** will search any of the terms available below.
 - **Projected terms** will search terms for which the classes are projected to be offered.
 - **Scheduled terms** will search within any of the available terms but not projected terms.
11. In the **search box**, type a search query. This can be a combination of one or more of the following:
- Subject code, such as “ENG-L”
 - Course catalog number, such as “131”
 - Partial course catalog number, such as “1xx”
 - Department name, such as “English”
 - Keywords from the course title, course description, class description, or course attributes

For our example, we will search for “ENG-L”

12. Press **Go**. The results should look like the following:
